Data on Adult Gender Services 2024-2025

You recently provided data for your Adult Gender Service for the 2024/25 financial year.

If possible, please provide the following information for the same financial year:

1. A breakdown of referrals received by service user age (under 18, 18-25, 26 - 35, 36 - 45, 46 - 55, 56 - 65, 65+)

CAMHS

Team	Under 18	18-25	26-35	36-45	Total
Knowing Our Identity	18	0	0	0	18

Adult

Team	18-25	26-35	36-45	Total
Belfast Trust Mental Health Gender Identity Service	34	13	5	52

2. A breakdown of the waiting list by service user age (same bands as above)

CAMHS

Team	Under 18	18-25	26-35	36-45	Total
Knowing Our Identity	46	0	0	0	46

Adult

We are unable to provide a breakdown of current waiting lists by service user age at the current time. The Trust is continuing to work with Epic (encompass) colleagues

02 September 2025

(New Regional Clinical Information System) on the required waiting list report builds in order for this type of data extraction to be available to us in the future.
