## **Job Evaluation Scoring**

**Please can you send me the desktop matching/Job evaluation scoring document used to band the post of Band 6\_Administrative Coordinator, Mental Capacity Act & Approved SW Service.**

We do not hold a desktop matching/job evaluation scoring document for the band the post of Band 6 Administrative Coordinator, Mental Capacity Act & Approved SW Service role. A revised job description was received for banding in June 2025 and it was agreed it would be clustered with a similar band 6 outcome.
