Patient Comfort Fund, MAH (Muckamore Abbey Hospital)

Could you please advise of the status of a charitable fund named "Muckamore Patients Comfort Fund", that was previously in use at Muckamore Abbey Hospital (MAH)?

- 1. Can you please inform me of the present level of funds.**
- 2. Who is currently administering this Fund.**
- 3. How MAH patients can access same?**

The MAH comfort fund, like all legacy comfort funds has been amalgamated with the Trust Charitable Funds and is managed in line with these policies and procedures. Applications for funding with respect to Learning Disability Services are made, in line with the Charitable Fund policy, to the Co-Director of Learning Disability Services.
