Waiting times for assessment following dental referral

We would be grateful if you would confirm the average waiting times for an appointment at Royal School of Dentistry for tooth extraction following routine referral from a Dentist in:

- 1. April 2022**
- 2. June 2022**
- 3. July 2022**
- 4. August 2022**
- 5. September 2022**

There were no reports created for dental from May 2022 – August 2022 so data for these months is not available, information below for April and September 2022

1. April 2022 – Average days waiting for a Routine patient to have treatment in DPU was 131days / 19wks.
2. September 2022 – .Average days waiting for a Routine patient to have treatment in DPU was 55days / 8wks
