Social Care Committee Update

Background (Maximum of 1500 characters)

The Trust's Standing Orders have, since 2018, envisaged a Social Care Committee which reports to Trust Board. It was envisaged that the Social Care Committee, should be comprised of an unspecified number of Non-Executive Directors and assist the Board in assuring the Trust's discharge of its statutory functions in relation to the provision of personal social services.

In recent years, there has been a move to no Social Care Committee meeting, but in its place, two Social Care Steering Groups (one for Adults and one for Children's). This was an outworking of the implementation of the Board Assurance Framework, where it was moved to the status of a Steering Group. The Trust Board can be assured that these Steering Groups have continued to report to Assurance Committee and the annual statutory functions reports have continued to be presented to Trust Board.
