Staff On Call 24 Hours 7 Days a Week

As part of the car parking application process, one of the criteria applies only to staff who are on call 24 hours 7 days a week.

- 1. Can you tell me how many staff on the Royal site are doing on call outside of the AFC terms and conditions which means they are on call during their normal working hours?**
- 2. Can you tell me what groups of staff are doing on call outside of AFC terms and conditions and whether they get payment for doing so?**
- 3. Can you also advise if during these period or periods of on call, they are in their place of work?**

Belfast Health and Social Care Trust is unaware of any circumstance whereby Trust staff either would work or be paid an on-call, outside of AFC Term and Conditions or during their normal working hours.

Just to further note that separate Terms and Conditions are in place for Medical and Dental staff working on call.
