BHSCT supports a supervised dental emergency pain clinic within School of Dentistry where treatment is provided by Queens University Belfast undergraduate dental students for the purposes of their training. This clinic runs Monday to Friday and only during term time. Below is the breakdown of patients assessed or treated at this clinic. There is no waiting list as patients must complete an online referral form which opens at 08.00hrs each day, this service is only available to people who are not registered with a General Dental Practice.
