## **Staff who have retired under the Pensions section 1995**

**Can I request for the past 15 years how many people have retired under the above section?**

**In addition how many are currently employed in the Trust under the above section?**

**Further question has there been an accounting audit on the above and how can I access it in full?**

**I would if possible would like to know what formula was used to calculate the 1995 section, has it been equality screened under section 75.**
