Governance and Policy Documents relating to Fertility/Sterilisation Issues

FOI copies of governance and policy documents relating to:

- **How fertility/sterilisation issues were considered within Trust meetings, steering groups, or sub-groups involving recall patient's pre and post recall.**
- **Any Trust-level protocols, briefing materials, or oversight documents concerning recall patients.**

This was led by the Department of Health

Please resend your request to the Department of Health at the following email address FOI@health-ni.gov.uk
