## **Rituxamab changed Brand in Belfast Health and Social Care Trust**

**To request the date of when the brand Rituxamab changed and the name of the previous brand before the change and the brand that is being used now. This is related to Musgrave Park Hospital.**

In October 2017 Rituxamab changed name. Up to this date Belfast Trust used solely the Mabthera brand of Truxima. After this date Belfast Trust began to use a mix of the Mabthera brand and the new brand Truxima. The brand that is now being predominantly used is Truxima.
