## **Acute Myeloid Leukaemia (AML) Patients**

1. **How many patients have been diagnosed with Acute Myeloid Leukaemia (AML) at your Trust in the last 12 months**
  - a. **Of these patients how many are refractory/relapsed (R/R)?**
  - b. **How many of the R/R patients were FLT3 positive?**

We cannot provide the number of patients diagnosed over the last 12 months as the diagnosis date is not recorded or where the diagnosis was carried out

2. **How many patients have been treated for AML in the latest 12 months with the following treatments**

See below

- **Venetoclax with azacitidine**
- **Midostaurin**
- **Quizartinib**
- **Gemtuzumab**
- **Ivosidenib with azacitidine**
- **Liposomal cytarabine–daunorubicin**
- **Oral azacitidine**
- **Gilteritinib**
- **Palliative care**
- **Enrolled in a clinical trial**

3. **How many relapsed/refractory patients have been treated for AML in the last 12 months with the following treatments (This question relates to treatments administered to relapsed/refractory AML patients in clinical practice, regardless of licence status or funding route (including any off-label use).**

See below

- **Venetoclax with azacitidine**
- **Midostaurin**
- **Quizartinib**
- **Gemtuzumab**
- **Ivosidenib with azacitidine**
- **Liposomal cytarabine–daunorubicin**
- **Oral azacitidine**
- **Gilteritinib**
- **Palliative care**
- **Enrolled in a clinical trial**

**4. Of your AML patient how many were tested as below in the last 12 months**

See below

- **Received an FLT3 mutation test when they were diagnosed**
- **Received an FLT3 mutation test when their disease relapsed**
- **Received an FLT3 mutation test when their disease became refractory**

**Q3-4:** This will take in excess of 18 hours as reviewing treatments will be a manual trawl of patient records given haematology does not have electronic prescribing for Systemic Anti-Cancer Therapy.

This is exempt under the Section 12 of the FOI Act which relates to fee limit

We estimate that compliance with this element of the request for information would exceed the appropriate costs limit. Under Section 12 of the Freedom of Information 2000, the limit has been specified as £450 and represents the estimated cost of one or more persons spending 18 hours in determining whether we hold the information, locating, retrieving and extracting this information.
