Mesh slings known as TVT, TVTO, TOT implanted by Belfast Trust

**Please can you tell me How many mesh slings have been implanted into women
by Belfast Trust from 2008 until the suspension on 10 July 2018?**

There were 465 mesh slings implanted into women by Belfast Trust from 2008 until
the suspension on 10 July 2018*

**Please note that classifications for coding procedural information can change over
time and this can lead to errors in recording if implementation is not totally compliant.
Implementation can be difficult for a number of reasons including resource which at
that time was less developed than at present. Additionally, any errors found in audits
etc. for this period can be corrected in subsequent periods based in improved patient
source documents*

**How many mesh slings known as TVT, TVTO, TOT were implanted by Belfast
Trust from**

**11 July 2018 to 11 July 2019
11 July 2019 to 11 July 2020
11 July 2020 to 11 July 2021
11 July 2021 to 11 July 2022
11 July 2022 to 11 July 2023
11 July 2023 to 11 July 2024
11 July 2024 to 11 July 2025
11 July 2025 to 1 December 2025**

2 December to 7 February 2026

There have been zero mesh slings known as TVT, TVTO, TOT implanted by Belfast
Trust from 11 July 2018
