## **Post Fall Review Procedure**

**1. Which procedure/s do Trust staff follow when undertaking a post-fall review instead of an SAI?**

Post falls incident review.

**2. Does a post-fall review procedure document exist? If so, please confirm the exact title of the procedure and if I have been provided with it.**

Yes Minimum Dataset for Post Falls Incident Review (IR) (Falls resulting in Moderate or more severe harm).

**3. Have you or any staff liaised directly with PHA and DoH at any time to date regarding my request to the Trust for a copy of this procedure?**

It would not be for Belfast Trust to liaise with another agent on behalf of a requester.
