## Treatment of Ovarian Cancer

I am hoping that you will be able to help me with a Freedom of Information request that I have, can you please help me with the following information.

1. How many ovarian cancer patients (any stage) have been treated in the last 3 months with:

Paclitaxel in combination with a platinum-based compound	37
Platinum-based therapy alone (cisplatin or carboplatin)	34
Bevacizumab in combination with paclitaxel and carboplatin	0
Olaparib	18
Olaparib + Bevacizumab	0
Niraparib	48
Rucaparib	<5

**Use of <5 (less than five):** We are unable to provide an exact figure - exempt from release under Section 40(2) of the Freedom of Information Act - Personal Information relating to a third party, as the small numbers involved could make patients personally identifiable

Disclosure would constitute a breach of the principles of the General Data Protection Regulation 2018.

2. Does your Trust participate in any clinical trials for the treatment of ovarian cancer? If so, please provide the name of each trial along with the number of patients taking part.

ModiFY – no longer open for ovarian patients.
