Further to a workshop on the draft corporate plan for 2026-2031 for Executive Team and Non-Executive Directors on 4th December 2025, the Trust commenced a process of engagement on the draft plan as depicted below.

The draft plan has also been shared on Citizenspace, an online consultation platform and opportunities to engage have been featured at regular intervals on social media and internally on the Loop.

After the final face to face public engagement session on 18th March, the Trust will diligently consider the feedback received and amend the plan as appropriate.

The Trust has received permission from DOH/SPPG to roll over the current 25-26 plan until the new finalised 5-year corporate plan and accompanying annual operational plan go to Trust Board for endorsement and implementation in May 2026.
