## **PSNI Triggered Of Community Response Plan with the Trust Following a Death by Suicide**

**Under Freedom of Information legislation please clarify how many times PSNI triggered of Community Response Plan with the Trust following a death by suicide, shown per year in each of the last 5 calendar years, ending December 2025.**

Belfast Trust can advise that receipt of an SD1 form from PSNI colleagues does not automatically trigger a CRP response.

Please see table below for number of CRP responses over timeframe requested:

2020 = <5  
2021 = 0  
2022 = 0  
2023 = 0  
2024 = 0  
2025 = 0

We are unable to provide an exact figure where numbers are very low. To provide this level of information would reduce numbers to discoverable limits where the individuals could be identifiable.

This is exempt from release under section 40(2) Personal Information relating to a third party, of the FOI Act.

Disclosure would constitute a breach of the principles of the Data Protection Act 2018.
