<b>Background (Maximum of 1500 characters)</b> <p>The Culture and Oversight Group (CGOG) is chaired by the Trust Chair, reports to the Trust Board, and met most recently on Thursday 14 May 2026.</p> <p>The Oversight group received a presentation in relation to the performance of the Cardiac Surgery Intensive Care Unit at Belfast Trust, compared with other units. A summary of the slides of that presentation is provided for the information of the full Trust Board. The Oversight Group, while noting that the details only cover a 3 month period, drew reassurance from the benchmarking information provided, and will ensure that the information continues to be carefully reviewed.</p> <p>The Oversight Group also considered reports from the Cardiac Surgery Steering Group, People and Culture, Governance and Assurance, and Medical Leadership. These too are attached for full Board oversight.</p> <p>Finally, a summary Dashboard of progress against each of the recommendations from the report of Dr Hill and Mr McBride is attached, providing an overview of this progress for Board oversight.</p> <p>The Board will note that the considerations of the Culture and Governance Oversight Group inform discussions within the Support and Intervention Framework with colleagues from the Department of Health, the Strategic Planning and Performance Group and the Public Health Agency</p> <p>The next meeting with the Department of Health, the Strategic Planning and Performance Group and the Public Health Agency, within the Support and Intervention Framework, is scheduled for 5 May 2026.</p>
