Number of orthopaedic operations cancelled

(1) The number of orthopaedic operations cancelled as they were scheduled 6 months after the pre-op assessment from 1st May 2025 to present day.

I would be grateful if this could refer to single/double hip replacements and single/double knee replacements.

Belfast Trust can confirm the number of orthopaedic operations cancelled as they were scheduled 6 months after the pre-op assessment from 1 May 2025 to present day as follows:

Musgrave Park Hospital: zero
Royal Victoria Hospital: zero
