

**1 July 2026**

## **Community Mental Health Team waiting time**

**What is the current wait time for a routine referral to the Woodstock Lodge Community Mental Health Team?**

**If someone was referred in August 2025, when could they expect to be seen?**

The waiting time for a routine assessment at Woodstock Lodge is currently nine weeks. However, following assessment, the waiting time for routine treatment/intervention within the Community Mental Health Team is approximately one year.
