Travellers Equality

I would be grateful if you could provide copies of:

- **Traveller Voices: Health and Wellbeing Priorities in Belfast 2024/25**
- **The survey methodology and supporting evidence**

See Attachment 1 – Traveller Voices Health and Wellbeing Priorities in Belfast Report 2025.

This document contains the findings from engagement with Traveller communities and stakeholders, together with information on the engagement methodology and supporting evidence.

- **The current Terms of Reference and membership arrangements for the Belfast Traveller Network**

See Attachment 2 - Current Terms of Reference for the Traveller Network – this document includes membership and meeting arrangements for the Belfast Traveller Network.

- **The three-year Traveller Action Plan**

See Attachment 3 - Traveller Communities Action Plan – this document sets out the proposed actions resulting from the Traveller Voices report.

- **Any governance, monitoring or evaluation documents demonstrating how Traveller participation directly informed commissioning, decision-making and service redesign.**

The attached documents demonstrate how engagement findings have informed the development of the Traveller Action Plan. The Traveller Voices engagement informed the development of the three-year Traveller Action Plan.
