Weekly Costs for Supporting People with Learning Disabilities

Could you provide some weekly average costs for:

- 1. Supported living arrangements, supporting people with learning disabilities.**

There is a big variation in costs depending on the assessed needs of the service user but the average cost is between £1000 - £2000 per week.

- 2. Residential care arrangements, supporting people with learning disabilities.**

There is a big variation in costs depending on the assessed needs of the resident but the average cost is between £1000 - £2000 per week.
