**Belfast Health and Social Care Trust**

**caring supporting improving together**

Throughout People and Culture Week we have launched a range of products and initiatives all designed directly from staff feedback. Everything we do in Belfast Trust is about people and for people and so it is through the building of a compassionate culture, where colleagues are valued that we will be able to create the conditions for the safest, most effective and most compassionate care.

If you have any questions relating to People and Culture Week please contact [HRPOD@belfasttrust.hscni.net](mailto:HRPOD@belfasttrust.hscni.net).
