

Have
your say

As part of our commitment to get better at listening to how you feel, we are launching our Staff Experience Survey.

We want to hear from you and better understand what is good about working for the Trust and what needs improving.

Our survey will be asking questions about:

- how you feel at work
- if you find your work meaningful
- if you have opportunities to improve
- your relationships with your work colleagues and managers
- whether or not you feel supported, respected and happy in your work
- if you are recognised and valued for your contributions.

To recognise and thank our staff, we want you to tell us if you have noticed one of your colleagues making a difference.

The survey will run throughout June and we will share results with you in July. We plan to repeat surveys three times a year so that we can measure if we are making improvements.

The survey is confidential and should take around 15 minutes to complete.
