

The emergence of the Omicron variant and the knowledge that it is highly transmissible means that more than ever we must all exercise extreme vigilance over the Christmas period.

It is imperative that staff continue testing over the holiday season especially as we want to keep patients safe and family members safe.

LAMP Testing will be available :

Monday 27 th December 2021	RVH 09.00 Level 1, RICU, RJMH, RBHSC Vaccination Centre	Mater Hospital 08.30 Ward D Reception	BCH 10.00 Cancer Centre	Knockbracken 09.00 Testing Centre
