

SYMPTOMATIC STAFF

1. Check for Symptoms

The most common symptoms of COVID-19 are:

- A high temperature
- A new, continuous cough
- A loss or change in smell

2. Call and Self Isolate

DO NOT COME TO WORK

Contact the Occupational Health Covid Advice Line on: 028 906 30010

4. Receive results

It's important to stay at home whilst waiting for results. Occupational Health will send you your results and provide you with further guidance if you have COVID-19.

3. Get tested

Covid Testing is available for all staff & their household members at the Trust Testing Centre. If testing is required please book a test by calling: 028 961 52828

5. Track and Trace

Occupational Health will support you and your manager during the tracking and tracing of workplace contacts. The PHA will follow up close contacts in the community. It is recommended that you download the StopCOVIDNI app.

6. Wellness Calls and Recovery

If you test positive for COVID-19, you will receive calls from Occupational Health during your recovery to support your health and wellbeing.
