

Belfast Trust Maternity Services will ensure all staff provide a contact when ringing GPs for help with treatments. All Maternity staff have now been reminded of this

Could staff within GP receptions receiving the incoming call from the Trust provide their details and also record the Trust staff contact details?

Please find attached the following ways that a GP can readily contact the RMH antenatal clinic:-

The Midwife in charge of the antenatal clinic carry a vocera

1. To contact from outside ring **02896135999** and ask for the ANTENATAL CLINIC MIDWIFE IN CHARGE.
2. There is also a baton phone for clinic from 8.30-5.30 Monday to Friday **07584025410**
3. Midwife's office in the clinic landline **02896150599**
