Thank you to our panel  
& to everyone who joined us!

The recording is now available to watch here.

There's still time to give your feedback.

Your questions answered.

In an increasingly digital world many of us are required to deliver our training courses and workshops online. The aim of this course is to support you in designing and delivering an engaging online facilitator led session, as well as transforming existing and traditional face to face training into an online format.

## Census 2021 is here

Ready to start your Northern Ireland census online?

This Sunday 21<sup>st</sup> March is Census Day. The census only happens once every 10 years and the information it gathers is used to help plan vital public services like education, transport and health. Every household must submit a completed census form. It's quick and easy to complete online at [census.gov.uk/ni](https://census.gov.uk/ni).
