Relevant Pathology Number:

Samples to be forwarded to Paul Kelly, Histology Lab, Royal Victoria Hospital (see next page for details)

Referrals to the HPB MDT must fulfil the following criteria:

1. All referrals to the HPB MDT must be sent to MDMHBP@belfasttrust.hscni.net using the HPB MDT referral form.
2. All hepatoma referrals **must** be discussed with a hepatologist prior to submission of the referral form (see below for contact details).
3. Referrals to MDT must be made by a Consultant.
4. A local MDT discussion should have taken place prior to referral.
5. A clear question for the MDT to discuss must be stated on the referral form.
6. ECOG status is mandatory for all referrals.
7. Your local MDT coordinator should be notified of the referral to enable them to transfer the patient on CaPPS for discussion.
8. Pathology slides should be forwarded to Dr Paul Kelly c/o Lisa McLaughlin (Archivist), Department of Pathology, Institute of Clinical Sciences, Royal Victoria Hospital, Grosvenor Road, Belfast, BT12 6BA. The slides should be marked as "Urgent: HPB MDM" and sent via the interhospital transport system
