Serious Adverse Incidents

The number of serious adverse incidents still to be recorded on the electronic data base as of the first of November 2021?

Serious Adverse Incidents (SAIs) are logged on the Trusts Datix system at the time an SAI Notification is submitted to HSCB. Therefore, we do not have any SAIs still to be recorded as of 1 November 2021

The number of serious adverse incidents still to be reviewed by senior staff as of the first of November 2021?

The Trust has 284 SAI reviews ongoing as at 1 November 2021
