Subject: Clotting Disorders

Question 1:

I have a query about clotting disorders. Could you please tell me how many patients are registered with your Haemophilia Centre for;

- **Von Willebrand Disease – adult patients (age 18 or above)**
- **Von Willebrand Disease – paediatric patients (age 17 or under)**
- **Haemophilia B (any age)**

Answer

To obtain this information you should redirect your enquiry to the National Haemophilia Database, which retains all this information and has a dedicated team to support your query.
