ATTACKS ON HEALTHCARE STAFF

1. **How many attacks on health workers have there been across all hospital sites within the trust since the start of this year until now, August 28.**
 - Please see attached spreadsheet
2. **Please give a breakdown of each hospital, children, Mater, Royal.**
 - Please see attached spreadsheet
3. **Please give me a list of the most serious attacks.**
 - Please see attached spreadsheet
4. **How many attacks on health workers have there been specifically in the A&E/Emergency Department at the Royal since the start of this year until now, August 28.**
 - Please see attached spreadsheet
5. **Could you tell me how many nurses, doctors, domestics etc...roles within ED of those attacks**
 - Please see attached spreadsheet
6. **Again, could you give me a list of the 10 most serious attacks.**
 - Please see attached spreadsheet
7. **How many of the staff are still off sick as a result of the attacks?**
 - The table details the total number of staff that are still off sick as a result of these attacks.

Time Period	Number of Staff Currently on Sick Leave
01/01/21 - 31/12/21	0
01/01/22 - 31/08/22	Less than 5

We are unable to provide an exact figure where numbers are very low. To provide this level of information would reduce numbers to discoverable limits where staff could be identifiable.

This is exempt from release under section 40(2) Personal Information relating to a third party, of the FOI Act.

Disclosure would constitute a breach of the principles of the Data Protection Act 2018.

8. **How many of the staff attacked are still receiving counselling?**
 - From January 2022 to August 2022 eight employees of the BHSCT have attended counselling with Staffcare as a result of a violent incident at work
9. **If possible could I have all of the above (1-8) for the previous calendar year**
 - Please see attached spreadsheet
