## **Domiciliary Care Waiting Lists**

**I am looking for updated statistics on domiciliary care waiting lists for Northern Ireland, broken down by each Trust for those waiting in hospital, at home and in care homes.**

**I would be extremely grateful if you could point me in the right direction of where I could obtain this information? It does not seem to be readily available online.**

The Strategic Planning & Performance Group (SGGP) at the Department of Health (DoH) get an update on the domiciliary figures from all Trusts across Northern Ireland on a fortnightly basis. You can contact the DoH directly at [FOI@health-ni.gov.uk](mailto:FOI@health-ni.gov.uk)
