## **Children Placed Outside Jurisdiction for Residential Purposes**

**How many children has your trust currently placed outside the jurisdiction for residential purposes?**

Belfast Trust currently has <5 children placed outside the jurisdiction for residential purposes.

Given the small numbers, we cannot provide an exact figure, because to do so has the potential to make these children identifiable and so this is exempt from release under Section 40(2) of the FOI Act 2000 which relates to Personal Information Relating to a Third Person.
