Overpayments Made to Staff or Former Staff

Question:

I am writing under the Freedom of Information (FOI) Act 2000 to request the following information:

- The number of overpayments made to staff or former staff between January 1 2019 and December 31 2022
- The value of overpayments made to staff or former staff between January 1 2019 and December 31 2022
- The amount of money recouped from overpayments made to staff or former staff between January 1 2019 and December 31 2022

I'd be grateful if the data could be broken down by year please.

Response:

This information would be held by Payroll Shared Services at the Business Services Organisation (BSO). BSO provide a broad range of regional business support functions and specialist professional services to the health and social care sector in Northern Ireland.

Your request should be redirected to Payroll to respond.
