Laser Protection Advisor

I would like to request, under Freedom of Information Act 2000, how many Laser Protection Adviser (LPA) services were provided by BHSC Trust, to private businesses who provide laser services (medical, surgical, dental and aesthetic practices), using Class 3B, Class 4 and Intense Light Sources (ILS) for the following years: 2021, 2022 and from 1st January 2023 to 31st March 2023?

To assist with this enquiry, this service will be provided from within the Medical Physics department at Forster Green Hospital.
