Purpose	<p>Belfast Trust has committed to placing safety, quality and compassion at the heart of all that we do. By focussing on this, we believe that we will be one of the top performing UK Trusts by 2020</p> <p>To help achieve this we wish to hear how staff who deliver services to patients/clients embed quality improvement as part of your everyday job. These visits are a unique way that we can learn from each other and share the learning across the organisation. These visits allow all staff to talk freely about safety, quality and experience and how you have improved this or discuss the challenges that remain.</p>
