Belfast Trust staff also working in a private capacity

All Directors and Non-Executive Directors must complete an annual Declaration of Interests Form.

Belfast Trust has in place a Guide to the Management of Private Practice, the purpose of which is to provide clear guidelines to staff for the management of private patients within the Trust. Please see attached Guide.

In addition, Belfast Trust has in place Managers' Guidance on the Working Time Regulations which requires all staff to disclose any secondary employment they may have via the dual employment form (Appendix 2 Working Time Regulations Guidance for Managers.doc (sharepoint.com)). Please see attached Guidance
