## **HIV patients prescribed sleeping medication and Diazepam**

**Would you be able to provide figures for patients with HIV that have been prescribed Zopiclone or any other sleeping tablet and Diazepam**

The information requested is not centrally held by Belfast Trust and a manual trawl of patient records would be required. We estimate that compliance with this request for information would exceed the appropriate costs limit. Under Section 12 of the Freedom of Information 2000, the limit has been specified as £450 and represents the estimated cost of one or more persons spending 18 hours in determining whether we hold the information, locating, retrieving and extracting this information.
