Treatment of dermatological conditions

Q1. How many patients were treated in the last 4 months (April to July 2023) by the dermatology department with each of the following products:

- **Abrocitinib:** <5
- **Acitretin:** 170
- **Alitretinoin:** 17
- **Azathioprine** **
- **Baricitinib:** <5
- **Ciclosporin** **
- **Dupilumab:** 136
- **Methotrexate** **
- **Mycophenolate mofetil** **
- **Pimecrolimus** **
- **Phototherapy (UVB or PUVA):** 90 patients UVB or PUVA
- **Tacrolimus ointment** **
- **Tralokinumab:** <5
- **Upadacitinib:** 14

Please Note: ** These drugs are not hospital only prescriptions so patients get these via primary care and we therefore can't ascertain the numbers of patients from pharmacy/Trust held data

Use of < 5 (less than five): We are unable to provide an exact figure - exempt from release under section 40(2) of the FOI Act - as this could make patients personally identifiable. Disclosure would constitute a breach of the principles of the General Data Protection Regulations 2018.

Q2. How many patients were treated by the dermatology department in the previous 4-month period (December 22 - March 23) with Dupixent?: 118

Q3. For patients treated by the dermatology department with Dupilumab in the four months from December 22 to March 2023, could you please tell us:

- a. **How many patients were treated in the subsequent 4-month period (April - July 23) with Dupilumab?:** 18
- b. **How many patients were treated in the subsequent 4-month period (April - July 23) with any of the following advanced therapies - Abrocitinib, Baricitinib, Tralokinumab and Upadacitinib?:** 15

12 September 2023

- c. **How many patients were treated in the subsequent 4-month period (April - July 23) with any of the following immunosuppressants - Methotrexate, Ciclosporin, Mycophenolate or Azathioprine? ** (as before)**
- d. **How many patients were treated in the subsequent 4-month period (April - July 23) with any of the following - Acitretin, Alitretinoin, Pimecrolimus or Tacrolimus?: 170 + 17 (Data for acitretin and alitretinoin only)**
