22nd March 2021

Yesterday was **International Day for the Elimination of Racial Discrimination** and to mark the day we're happy to launch our new Ethnic Minority Staff Network with a video message.

The Ethnic Minorities Staff Network has been established to enable a safe, inclusive and diverse working environment for Black, Asian and minority ethnic staff. The Network is committed to the elimination of racial discrimination through the implementation of a co-produced action plan.

Our Network will support the Trust to develop and maintain a representative workforce, and to raise the visibility and profile of the contribution that Black, Asian and minority ethnic staff members make.

Contact us at AskEMNetwork@belfasttrust.hscni.net to get involved.

PODCAST

Join us as we discuss the impact of COVID-19 on Black, Asian and ethnic minority communities in NI and what is being done to address this. We will look at the approach taken to vaccinate the wider population of NI and the monitoring of uptake amongst Black, Asian and minority ethnic communities.
