Subject: Patient Administration System (PAS) Update

Question

We are currently updating data on your trust's PAS system. Can you please complete the fields below with what you currently hold?

Please enter 'No System Installed' under supplier name if your trust does not use the system:

System type – Patient Administration System (PAS)

Supplier name -

System name -

Date installed -

Contract expiration -

Notes - e.g. we are currently out to tender

Is this annually renewed? - Yes/No

Do you currently have plans to replace this system? - Yes/No

System definition:

Patient Administration Systems (PAS) – these are the core enterprise systems, containing a Master Patient Index, used by NHS trusts to enable them to know when a patient has arrived, who they are, who they were seen by, what treatment they received and what happened to them. This core functionality, needed by every trust, covers admission, discharge and transfer.

Response

Trust PAS system

Supplier name -	* exemption applied in respect of infrastructure information
System name -	* exemption applied in respect of infrastructure information
Date installed -	* exemption applied in respect of infrastructure information
Contract expiration -	* exemption applied in respect of infrastructure information
Is this annually renewed? - Yes/No	* exemption applied in respect of infrastructure information
Do you currently have plans to replace this system? - Yes/No	* exemption applied in respect of infrastructure information
