Covid-19 – Vaccination Status of patients and Number of Births in Belfast Trust hospitals per month in 2021

How many patients that were admitted to the hospital had received at least one Covid-19 vaccine, for each of the months January to December, for this year (2021)?

Belfast Trust are unable to respond, as we do not hold this level of detail regarding individual patients' vaccination status. The vaccination status of individual patients is not documented consistently in patient records and is not recorded on a central system in Belfast Trust. The vaccination status of individuals is recorded onto the Regional Vaccine Management System, to which Belfast Trust do not have full access. The Department of Health may be able to assist.
