Number of FOI Requests and Refusals by ICT Dept.

Please give me the number of FOI requests managed by or responded to by the ICT section/division/department in the Belfast Trust over the past two years.

46 requests

How many of those requests over the same past two years have had an exemption applied to them?

21 requests

Please provide the name and email address of the person in that area responsible for processing the FOIs

All FOI requests are processed by the Public Liaison Service PublicLiaison@belfasttrust.hscni.net with information collated within the IT & Telecommunications Department and approved by Charlene Stoops, Director of Performance, Planning & Informatics (PPI) (process as of 24 May 2021). Prior to that date responses were approved by either Director of PPI or Co-Director of IT & Telecommunications.
