## Shannon Clinic Documents

I would like to submit an FOI Request for the following information:

1. **PDF copy of the welcome guide for Shannon Clinic Belfast patients when they are admitted.**

Please find attached in separate document – Appendix 1.

2. **A copy of the care plan template used for Shannon Clinic patients.**

As Shannon Clinic uses an electronic system, we have only been able to provide a screen shot of both the Care Plan and Risk Assessment (both attached at Appendix 2).

3. **A copy of the risk assessment form template too.**
