RESPONSIBLE OFFICERS

DR Hagan, I Have noticed that Dr Gavin Quigley who was clinical lead at the time I was attending neurosurgery under Dr Nicola Johnston Neurosurgeon, is showing on the GMC register as not assigned to a designated officer meaning that you're not his responsible officer but I also noticed it is showing that Dr Quigley is still working for the BHSCT is there any particular reason that Dr Quigley doesn't have a responsible officer? Is it maybe to do with his grade etc.? I would like to request this information under the F.O.I

I can confirm that Mr Quigley no longer works for Belfast Trust.
