Guidelines for the treatment of Hidradenitis Suppurativa

Please find below a freedom of information request relating to clinical guidelines for the treatment of Hidradenitis Suppurativa (Acne inversa).

Question 1

Does Belfast Health and Social Care Trust have any local treatment guidelines, pathways or protocols for treatment of Hidradenitis Suppurativa (Acne inversa)?	No, we use the national NICE and British Association of Dermatology guidance for management of HS. It would be the most up to date resource for this patient cohort.
