* We do not collect this information in a way that can be easily extracted and would require review of individual patient notes. We estimate that compliance with this request for information would exceed the appropriate costs limit. Under Section 12 of the Freedom of Information 2000, the limit has been specified as £450 and represents the estimated cost of one or more persons spending 18 hours in determining whether we hold the information, locating, retrieving and extracting this information. We are able to provide some of the information requested.
