**Please confirm your allocated budget for agency locum doctors for the period
1st February 2024 to 30th April 2024.**

We don't have a budget for agency locum doctors per se, however we would have budget for the substantive posts for which these posts would be covering, although this would be difficult to extract as we would have to trace each and every locum agency doctor and see which post they are covering and extract the budget. This would exceed the costs limit specified in the FOI act.

We estimate that compliance with this (element of the) request for information would exceed the appropriate costs limit. Under Section 12 of the Freedom of Information 2000, the limit has been specified as £450 and represents the estimated cost of one or more persons spending 18 hours in determining whether we hold the information, locating, retrieving and extracting this information.
