Referrals to Services

How many people were referred to this Trust for each category for each year?

Please can you provide the answers in a box format and put the exact numbers of referrals for each year separately, for each category separately, listed below.

For example, the year as top heading from column to column and the category listed listed in the first column of an excel spread sheet.

2015, 2016, 2017, 2018, 2019, 2020, 2021, 2022, 2023, 2024

Cardiology

ENT

Neurology

Gastroenterology

Rheumatology

Endocrinology

Thoracic Medicine

Dermatology

Haematology (Clinical)

Please see the table below

7 October 2024

Sum of Referrals	Referral Year											
	2015	2016	2017	2018	2019	2020	2021	2022	2023	2024*	Total	
Specialty Description												
Adult Cardiology (C)	9,762	10,794	10,380	9,340	9,338	6,523	7,110	7,467	8,332	3,727	82,773
