

13 December 2024

Inventory Management – Point of Care Solutions

1) Does the Trust / Health Board use a third-party inventory management / point of care solution?

1A) If yes – please confirm:

I: Which inventory management / point of care solution you use.

II: Contract value (p.a.)

III: Contract renewal date

IV: When did the Trust / Health Board first start using this solution?

1B) If no – does the Trust / Health Board use any internally-built IT inventory management / point of care solutions?

2) Please could you indicate which department(s) in the Trust / Health Board use inventory management / point of care solutions, whether third-party or internal?

Note: not all Trusts / Health Boards may have all departments in the list below, please mark Not Applicable for any departments not at your Trust

Department	Use third-party inventory management / point of care solution <i>Yes, No, Not Applicable</i>	Use in-house inventory management / point of care solution <i>Yes, No, Not Applicable</i>

Other (please specify)		

Information has been withheld on the basis of cyber security.

This information is exempt from release under the Freedom of Information Act (FOI)
Exemptions applied:

S31 Law Enforcement

S38 Health and Safety

S43 Commercial Interests

A public interest test was conducted and the outcome supports there is an overwhelming public interest in keeping Health & Social Care digital systems and critical national infrastructure secure which would be served by non-disclosure. This outweighs the public interest in accountability and transparency which would be served by disclosure
